BRITISH CURRICULUM COURSE CATALOGUE

Pearson Edexcel Pathway (Years 6–13)

TPT International School offers a complete British international education pathway leading to official International GCSE and International A Level qualifications within the British education system.

Students complete their studies and sit their examinations directly through TPT International School, which is an officially recognised Pearson examination centre, ensuring a clear, coherent academic experience and internationally recognised certification.

STRUCTURE OF THE BRITISH PATHWAY

- **Grade 6:** Pre–Lower Secondary (Preparation Year)
- **Years 7–9:** Lower Secondary
- **Years 10–11:** International GCSE
- **Years 12–13:** International A Levels

Programmes are delivered as full academic-year courses, culminating in International GCSE and International A Level examinations administered by TPT International School as an authorised Pearson centre.

FULL-TIME ENROLMENT REQUIREMENTS

British pathway programmes are structured according to subject load, rather than credits.

Lower Secondary (Years 7–9): Minimum 5 subjects

International GCSE (Years 10–11): Minimum 5 subjects

International A Levels (Years 12–13): Minimum 3 subjects

Students may enrol in additional subjects beyond the minimum where academically appropriate.

STAGE 1: PRE-LOWER SECONDARY (GRADE 6)

Purpose: Academic preparation for entry into British Lower Secondary

Core Subjects

- English 6
- Mathematics 6
- Integrated Science
- World Studies

Enrichment & Skills

- Modern Foreign Language (Introductory)
- Digital Literacy
- Physical Education & Wellbeing

Assessment: Internal assessment only

STAGE 2: LOWER SECONDARY (YEARS 7–9)

Purpose: Development of core academic skills and readiness for International GCSE

Core Subjects (Years 7–9)

- English
- Mathematics
- Science

Humanities & Social Studies

- Geography and World Cultures
- U.S. History / World History

Languages & Enrichment

- Modern Foreign Language (continuing)
- Computer Applications / Digital Literacy
- Music Appreciation / Art

Assessment: Internal continuous assessment

STAGE 3: INTERNATIONAL GCSE (YEARS 10–11)

Purpose: Preparation for externally assessed, internationally recognised qualifications

Core iGCSE Subjects

- International GCSE English Language
- International GCSE Mathematics
- International GCSE Biology or Combined Science

Additional iGCSE Options

- International GCSE Business
- Additional Sciences
- Modern Foreign Language
- Computer Science / Information Technology
- Creative or Humanities electives (subject to availability)

Assessment:

- Coursework and internal assessment
- Mock examinations
- Official International GCSE examinations administered by TPT International School as a Pearson examination centre (Year 11)

STAGE 4: INTERNATIONAL A LEVELS (YEARS 12–13)

Purpose: Advanced academic study and university preparation

Available A Level Subjects

- International A Level Mathematics
- International A Level Biology
- International A Level English Language

Students typically study three subjects, with the option of a fourth subject, subject to academic approval.

Assessment:

- Internal assessments and mock exams
- Official International A Level examinations administered by TPT International School as a Pearson examination centre

ASSESSMENT & REPORTING

- Continuous assessment throughout the academic year
- Formal progress reports
- Mock examinations in exam years
- Official Pearson results and certification

EXTERNAL EXAMINATION FEES

Tuition covers academic instruction and preparation for examinations.

International GCSE and International A Level examinations are taken through TPT International School, which is an official Pearson examination centre.

Examination fees are charged separately in examination years and cover Pearson registration, administration, and certification.

- **International GCSE:** per subject (exam year)
- **International A Level:** per subject (exam year)

Fees are invoiced once exam entries are confirmed.

UNIVERSITY PROGRESSION

Graduates of the British pathway are prepared for entry to:

- Universities in the United Kingdom
- Universities in the United States
- European and international universities worldwide

Academic guidance is provided to ensure subject selection aligns with university entrance requirements.

DELIVERY MODEL

- Full academic-year online programmes aligned with Pearson Edexcel standards
- Instruction delivered by qualified subject teachers
- A structured virtual learning environment combining guided independent learning with teacher-led instruction
- Regular live teaching sessions and interactive tutorials to support learning and exam preparation
- Ongoing academic advising and student support throughout the school year

STATUS

This catalogue reflects the British Pathway offered by TPT International School, leading to official International GCSE and International A Level qualifications within the British education system, delivered and examined through an authorised Pearson centre.

Preparing students for globally recognised British qualifications and international university success.
